

FIRST® **in Florida**

Inspiring Florida's Youth in Science & Technology Excellence!

FIRSTFL.org

Tampa FIRST Mentors & Coaches Workshop

June 1, 2015 – Notes & Resources

One State: Four Programs: One Mission: To Inspire Youth to Be Science & Technology Leaders

FIRST® is a K-12 character driven STEM education program that uses robot challenges to build science and technology skills and interests, and also inspires self-confidence, leadership, and life skills. Gracious Professionalism is our core value.
